OFFICE OF PETITIONS

Dear Sir:

PETITION RELATING TO SMALL ENTITY STATUS –

FEE DEFICIENCY PAYMENT

The enclosed deficiency fees are filed pursuant to 37 CFR 1.28(c).

Upon filing this application, the small entity fees totaling \$708 may have been paid in error as there is a possibility that the eventual assignee, Ontain Corporation, did not qualify as a small entity.

Out of an abundance of caution, we hereby tender the deficiency in fees between a large and small entity and ask that this application be treated as a large entity application.

Please refer to the table below which sets out the type of fee, amount of small entity fees paid upon filing, the current large entity fees with a calculation of the large entity fees which should have been paid and the deficiency in the amount owing.
